

SOUTHCOAST

NATURAL RESOURCE MANAGEMENT INC.

across our **REGION** over the last ten years

INVESTMENT

We have invested \$33,542,955 in the region.

REVEGETATION

We have revegetated 8,198 hectares of grasses and 4,878 hectares of trees, for a total of 13,075 hectares.

CONTROL

We have implemented pest control over 526,849 hectares and weed control over 10,186 hectares to enhance your region.

EMPLOYMENT

We have employed people in part-time and full-time roles equal to 190 full-time positions, resulting in more than \$19M entering your local economy.

PROTECTION

We have enabled the establishment of 1,238 kilometres of fencing to protect native bush.
